NOTICE	NOTES
1. Date of announcement <u>17th June 2026</u> (a) 2. Each year the smaller authority's Annual Governance and Accountability Return (AGAR) needs to be reviewed by an external auditor appointed by Smaller Authorities' Audit Appointments Ltd. The unaudited AGAR has been published with this notice. As it has yet to be reviewed by the appointed auditor, it is subject to change as a result of that review. Any person interested has the right to inspect and make copies of the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records must be made available for inspection by any person interested. For the year ended 31 March 2026, these documents will be available on reasonable notice by application to: (b) <u>Kirsty Gibson (CLERK), Memorial Hall, Avenue Road, Freshwater, PO40 9UU</u> commencing on (c) <u>18th June 2026</u> and ending on (d) <u>29th July 2026</u> 3. Local government electors and their representatives also have: • The opportunity to question the appointed auditor about the accounting records; and • The right to make an objection which concerns a matter in respect of which the appointed auditor could either make a public interest report or apply to the court for a declaration that an item of account is unlawful. Written notice of an objection must first be given to the auditor and a copy sent to the smaller authority. The appointed auditor can be contacted at the address in paragraph 4 below for this purpose between the above dates only. 4. The smaller authority's AGAR is subject to review by the appointed auditor under the provisions of the Local Audit and Accountability Act 2014, the Accounts and Audit Regulations 2015 and the NAO's Code of Audit Practice 2015. LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

The [Local Audit and Accountability Act 2014](#) (the Act) governs the work of auditors appointed to smaller authorities. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act and the [Accounts and Audit Regulations 2015](#) also cover the duties, responsibilities and rights of smaller authorities, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the smaller authority form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax.

The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When smaller authorities have finished preparing accounts for the financial year and approved them, they must publish them (including on a website). There must be a 30 working day period, called the 'period for the exercise of public rights', during which you can exercise your statutory right to inspect the accounting records. Smaller authorities must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. The 30 working day period must include a common period of inspection during which all smaller authorities' accounting records are available to inspect. This will be 1-14 July 2026 for 2025-26 accounts. The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the smaller authority that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

The right to ask the auditor questions about the accounting records

You should first ask your smaller authority about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor's remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your smaller authority the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with their explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here

means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your smaller authority other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

The right to make objections at audit

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the smaller authority's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the smaller authority. The notice must include:

- confirmation that you are an elector in the smaller authority's area;
- why you are objecting to the accounts and the facts on which you rely;
- details of any item in the accounts that you think is unlawful; and
- details of any matter about which you think the external auditor should make a public interest report.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the [Local Audit and Accountability Act 2014](#).

A final word

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.

For more detailed guidance on public rights and the special powers of auditors, copies of the publication [Local authority accounts: A guide to your rights](#) are available from the NAO website.

If you wish to contact your authority's appointed external auditor please write to the address in paragraph 4 of the *Notice of Public Rights and Publication of Unaudited Annual Governance & Accountability Return*.

FRESHWATER PARISH COUNCIL OFFICER REPORT

Committee:	Finance Committee
Date:	4 th June 2026
Report Author:	Tara Bloomfield
Report Title:	Explanation of “No” Assertion on AGAR

Freshwater Parish Council has received a No assertion on the Annual Internal Report section of the Annual Governance and Accountancy Return for 2025/26.

Below is the information regarding this result:

Assertion N – No: The council did not comply with the publication requirements for the 2024/25 AGAR. The reason for this was that the signed **External Audit** report was not uploaded to the website alongside the other pages of the AGAR. A full review has since been completed (Jun 2026) and a schedule for publishment requirements has been adopted to ensure compliance going forward.

Dear Kirsty

Re: Freshwater Parish Council
Internal Audit Report for Financial Year Ended 31 March 2026

Executive summary

Following completion of our final internal audit on 4 June 2026, we are pleased to enclose our report for your review and presentation to the council. The audit was conducted in accordance with current professional standards and guidelines, employing a risk-based approach to our testing. While not all transactions were examined, our sample testing, where appropriate, covered the financial year to date.

Some assertions, as noted in this report, were tested at the interim internal audit completed during the financial year and the council should review all internal audit reports for the year before completing the Annual Governance Statement.

The structure of this report aligns with the assertions set out in the Annual Internal Auditor Report section of the published Annual Governance and Accountability Return (AGAR). Each section begins with a summary of the assertion being assessed, followed by details of the testing undertaken, which was guided by the audit plan previously shared with the council. A copy of the audit plan is available upon request. The report concludes with our opinion on whether each assertion has been met as of the date of the audit. **Any recommendations for action are highlighted in bold and summarised in the table at the end of the report.**

Our testing did not identify any procedural errors requiring reporting to the external auditor at this time, nor did we observe any material weaknesses in internal controls that would pose a risk to public funds. In fact, the processes and procedures together with own built in compensating controls are robust, strictly followed and in many respects a model of good practice.

We are pleased to report that overall, the systems and procedures currently in place are appropriate and effective. While this report may include recommendations for improvement, these should not be viewed as indicators of significant deficiencies. Rather, they are intended to support the continued development of what is, in our view, a well-managed and robust governance framework.

I have completed the Annual Internal Audit Report page of the AGAR and provided this to the council for onward submission to the External Auditor.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

The primary purpose of internal audit is to assess and report to the authority on the effectiveness of its financial systems and other internal controls, including the operational procedures that support its activities.

The internal audit function involves testing and evaluating whether the authority’s internal control framework is both adequate and functioning effectively. Internal audit reports should be made available to all Members, providing a basis for informed decision making when considering the authority’s approval of the Annual Governance Statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry Local Authority Services Ltd, who has over 36 years’ experience in the financial sector with the last 16 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter and inherent risk assessment

An engagement letter was previously issued to the council covering the 2025/26 internal audit assignment, which includes the scope and plan of works and fee structure. Copies of this document are available on request from anna@mulberrylas.co.uk

In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement within the council’s financial systems is low. The internal control environment is considered reliable, and as such, substantive testing of individual transactions is not deemed necessary at this stage.

Audit testing will therefore consist of walk-through testing on a selection of sample data, covering the period under review within the current council year. This approach is designed to confirm that key controls are operating effectively throughout the financial period.

Internal Audit – Summary of recommendations 19

INTRODUCTION

The audit was conducted on site. The information advised in advance of the visit had been prepared and was available for review, and overall, I have the impression that accounting records are neatly maintained and easily accessible.

Other information was reviewed through discussion with the officers and a review of the council website www.freshwater-parish.org.uk

UPDATES ON RECOMMENDATIONS FROM INTERIM AUDIT

Internal Audit – Summary of recommendations

Audit Point	Interim Audit Findings	Council comments
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I recommend that the Acceptance of Office forms are amended to include formal acceptance to receive information by electronic means in the form “ <i>As per Schedule 12 of the Local Government Act 1972, I consent to the receipt of all council meeting papers by electronic methods. I understand I may withdraw this consent at any time.</i> ”	To be reviewed at next interim audit.
	It was noted the council has established common email addresses for all councillors, although these are not exclusively used by all councillors for all Parish Council business. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.	Importance of councillor compliance reiterated in Section O of this report.
	I note that the Website Accessibility Statement refers to partial compliance with WCAG 2.1 AA. The current standard is WCAG 2.2 AA, and the council should refer to the website provider and update the Website Accessibility Statement accordingly.	At the final internal audit, the website accessibility statement has been updated to the current WCAG 2,2 AA standard.
	The council also needs to adopt and publish an IT Policy by 31 March 2026 to meet the requirements of Governance Assertion 10.	An IT Policy was adopted by the council in March 2026.

	Based on the level of financial activity of the council, and through discussion with the Clerk, these authorisation thresholds appear appropriate although the additional 'duly delegated committee' level seems unnecessary, and the thresholds should also formally record that items over £10,000 require the approval of the council. The council has in place a system to segregate duties in terms of the setting up and subsequent release of payments made via online banking, although these do not completely align to the above process recorded in the Financial Regulations, and I recommend the council reviews this and ensures that the written procedure matches the actual working practice.	To be reviewed at the next interim audit. To be reviewed at the next interim audit.
C. RISK MANAGEMENT AND INSURANCE	There is no insurance cover listed for a Fidelity Guarantee. This is a vital protection for the council in the event of any internal fraud by officers and/or councillors, and I recommend that the Fidelity Guarantee insurance is put in place to cover the maximum balance held by the council at any point during the year.	The Clerk confirmed that the Fidelity Guarantee cover has now been put in place and the cover level is £1 million.
F. CASH	The petty cash balance maintained regularly exceeds the £250 limit specified in Financial Regulations, and the council should either ensure the petty cash is banked more frequently to remain within the agreed level or consider increasing the level to a more appropriate figure.	Year-end petty cash balance is recorded as £355.37, and the Financial Regulations still restrict the maximum balance to £250. This must be addressed by either amending the Financial Regulations or limiting the petty cash balance.
I. BANK AND CASH	I was able to confirm that the bank reconciliations have been signed, but the bank statements are not currently signed. I will need to see evidence of the signed reconciliation and bank statements at the final internal audit to achieve a positive sign-off for this internal control objective. The council holds all its funds with Barclays, and while it does not benefit from the protection of the FSCS, the council may wish	At the final internal audit, the RFO was able to provide evidence that the bank statements are now also signed in accordance with the Financial Regulations. To be reviewed at the next interim audit.

	to consider diversifying and using an alternate provider to mitigate the risk and potentially increase the return on funds held. I note the council’s adopted Investment Policy refers to the use of the CCLA, and the RFO confirmed that she is in the process of progressing an account with them.	To be reviewed at the next interim audit.
N. PUBLICATION REQUIREMENTS	I was able to confirm that the Notice of Conclusion of Audit was published on the council’s website before 30 September 2025, however the External Auditor Report and Certificate was not, and the council has therefore not met the publication requirements for 2024/25.	This is reflected in the outcome to Internal Control Objective N on the Annual Internal Audit Report.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been kept properly during the year.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

I am satisfied this control objective has been met.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report. Updates on the recommendations from the interim audit are included in the table on page 4 of this report.

CONCLUSION

I am satisfied this control objective has been met.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report. Updates on the recommendations from the interim audit are included in the table on page 4 of this report.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

CONCLUSION

I am satisfied this control objective has been met.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

Budget

The RFO produces regular detailed budget reports from the accounting software. There is no evidence to suggest that the budget has not been accurately set and carefully monitored throughout the year.

There is evidence within the minutes of meetings that councillors regularly receive budget reports for review, providing them with sufficient financial information to make informed decisions.

Precept

The council set a precept of £557,362 for 2025/26. With a tax base of 2,801.5, this equates to a band D equivalent of £198.95 (compared to the average in England of £92.92).

I was able to confirm that the precept amount recorded in the accounts is correct, and equals the amount recorded in box 2 of the Accounting Statements.

I confirmed from the minutes that the 2026/27 budget and precept were approved by the council at the meeting held on 26 January 2026 (minute refs 5.i and 5.ii respectively).

Reserves

The Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

5.33 The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.

5.34 The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.

5.35 The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.

5.36 In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.

5.37 Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.

At the year-end, the council held circa £488,166 in reserves, split between categories as below:

- Earmarked Reserves £322,600
- General Reserves £165,566

I checked the purpose of these earmarked reserves and am satisfied they are all for legitimate future planned projects of the council.

The general reserve balance is which is within the recommended range as detailed in the Practitioner's Guide.

CONCLUSION

I am satisfied this control objective has been met.

E. INCOME**Internal audit requirement**

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

I am satisfied this control objective has been met.

F. CASH**Internal audit requirement**

Cash payments were properly supported by receipts; all cash expenditure was approved and VAT appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report. Updates on the recommendations from the interim audit are included in the table on page 4 of this report.

CONCLUSION

I am satisfied this control objective has been met.

G. PAYROLL**Internal audit requirement**

Salaries to employees and allowances to members were paid in accordance with the authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I reviewed the figure included in box 4 (staff costs) on the Accounting Statements and was able to confirm from the accounting software that in accordance with the guidance contained in the Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's guide this includes only salary payments, HMRC payments and pension contributions.

CONCLUSION

I am satisfied this control objective has been met.

H. ASSETS AND INVESTMENTS**Internal audit requirement**

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the Accounting Statements and was able to trace the changes to the previous year's total against the asset register.

The council has borrowing through the Public Works Loan Board (PWLb) and I was able to confirm the figures for in year payments (box 5) and year-end balance (box 10) on the Accounting Statements against the PWLB remittance advices and year-end statement.

CONCLUSION

I am satisfied this control objective has been met.

I. BANK AND CASH**Internal audit requirement**

Periodic bank account reconciliations were properly carried out during the year.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report. Updates on the recommendations from the interim audit are included in the table on page 4 of this report.

I reviewed the year-end bank reconciliation for all accounts and was able to confirm the balances on 31 March 2026 to the bank statements and found no errors. I was able to confirm the total bank balances to the figure included in the Accountings Statements on the AGAR.

CONCLUSION

I am satisfied this control objective has been met.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), supported by an adequate audit trail from underlying records and, where appropriate, debtors and creditors were properly recorded.

Audit findings

Audit findings

The year-end accounts have been correctly prepared on an income and expenditure basis with the box 7 and 8 reconciliation completed. This shows year-end total debtors of £19,157 and year-end total creditors of £13,182, with a full breakdown of the individual debtors and creditors provided.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2024/25 and published on the council website.

The variance analysis has been completed and, in my opinion, provides sufficient financial and narrative information to explain the variances to the External Auditor.

CONCLUSION

I am satisfied this control objective has been met.

K. LIMITED ASSURANCE REVIEW**Internal audit requirement**

If the authority certified itself as exempt from a limited assurance review in the previous year, it met the exemption criteria and correctly declared itself exempt.

CONCLUSION

The council did not certify itself exempt from a limited assurance review in the previous year and the testing for this internal control objective is not applicable.

L: PUBLICATION OF INFORMATION**Internal audit requirement**

The authority publishes information on a free to access website/webpage, up to date at the time of the internal audit in accordance with relevant legislation

Audit findings

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

- 13(1)** An authority must publish (which must include publication on that authority's website)
- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
 - (b) the Annual Governance Statement approved in accordance with regulation 6(3)
- 13(2)** Where documents are published under paragraph (1), the authority must
- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
 - (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGARs are available for review on the council website for the previous five financial years.

Confirm that the council is compliant with the relevant transparency code

For councils with a turnover over £25,000, it is recommended best practice to follow the Local Government Transparency Code 2015, but not a statutory requirement and therefore not subject to verification during the internal audit.

CONCLUSION

I am satisfied this control objective has been met.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement

The authority, during the previous year, correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2024/25 Actual	2025/26 Proposed
Date AGAR signed by council	3 June 2025	16 June 2026
Date inspection notice issued	9 June 2025	17 June 2026
Inspection period begins	10 June 2025	18 June 2026
Inspection period ends	21 July 2025	29 July 2026
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2024/25, and assertion 4 on the Annual Governance Statement can therefore be signed yes by the council.

I reviewed the proposed dates for the Exercise of Public Rights for the 2025/26 AGAR and confirm that these are in accordance with the requirements of the Accounts and Audit Regulations.

CONCLUSION

I am satisfied this control objective has been met.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority complied with the publication requirements for the prior year AGAR.

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2025 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2024/25, approved and signed, page 4*
- *Section 2 - Accounting Statements 2024/25, approved and signed, page 5*

Not later than 30 September 2025 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report. As noted at the interim audit, I was able to confirm that the Notice of Conclusion of Audit was published on the council's website before 30 September 2025, however the External Auditor Report and Certificate was not, and the council has therefore not met the publication requirements for 2024/25.

CONCLUSION

I am not satisfied this control object has been met. Please see the comments above and our recommended course of action in the table at the end of this report.

O. DIGITAL AND DATA COMPLIANCE

Internal audit requirement

The authority has complied with laws, regulations and proper practices relating to digital and data compliance.

Audit findings

The Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's Guide (March 2025) contains guidance on the new Governance Assertion included on the 2025/26 AGAR which relates to this internal control objective.

Website

I was able to confirm that the council website contains a Privacy Notice and a Website Accessibility Statement. The Website Accessibility Statement correctly references partial compliance with the Web Content Accessibility Guidelines (WCAG) 2.2 AA.

The council has an IT Policy in place which was last reviewed and approved by the council at the meeting held on 3 March 2026 (minute ref 12).

Email management and GDPR

It was noted the council has a generic email address on a domain owned by the council and has established common email addresses for all councillors. I remind the councillors of the importance of using their designated email addresses because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

I recommend the council ensures that a data audit is completed during 2025/26 to comply with GDPR regulations. This may be included within the audit testing for Governance Assertion 10 in future years.

CONCLUSION

I am satisfied this control objective has been met.

P. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

CONCLUSION

The council has no trusts and the testing for this internal control objective is not applicable.
